USIC is Company that moved to Laconia same day we did Nov 16, 2020 and saw them at the lights at 6 AM next morning. Peter James lives at 3 Maple Terrace Three Rivers, MA who has been listening on Auxiliary mode of microchip. I have pictures on phone of his cars in Laconia with Texas plates. Palmer MA Emergency Management is also involved and sends emergency alerts over my battery operated radio. I have alerted the Governor Sununu and Attorney General and Both State Senators, as well as the Attorney General in Massachusetts. Gangstalking us in Laconia with this Massachusetts contractor telling us there going to make us Retarded and Insane all over my Child's Disability. I have Reported this to Police on Daily basis and Everyone in Town knows there attacking us. Emergency Mout Palmer name is William Betrand, I know they are hooked into our wife at home which is illegal

Relief Requested from the Court:

(Briefly state exactly what you want the Court to do for you. Add additional sheets as necessary.)

Law of 1964 - Federal law Prohibiting attacking a family with Disabilities. I would like them to stop attacking us. My child has been attacked since age 13 has Sensor Issues, Borderline Autism Spectrum. He was crying in pain in his Bedroom so much that my cat wanted to get in to console him. He is scared to leave the house as they have Brainwashed him into his Computer. I have called numerous places to have him therapy and they have faked with my phone so I don't get calls. Contractor with Dept of Defense Communicates via microchip, with Peter James and Leah Denney James. Continue forcing Computer Program into Brain via online thru microchip. This all started over my child's Disability 9 yrs ago and we want them to stop. I have one kidney and then continue with Directed Energy Drones that even my Boss has heard at my job and where I live everyone has heard it.
